Preston High School

**A Leader in Catholic Education
Founded in 1947**

Mission, Vision & History

Mission

Preston High School, located in the Throgs Neck section of the Bronx, New York, is an all-girls Catholic college preparatory high school founded for young women by the Sisters of the Divine Compassion.

The mission of PHS is to empower young women as they discover their own potential and value through a broad and challenging education, active participation in community and a commitment to Christian service, so that they may become compassionate leaders for a change in the world.

Vision

Our vision is to change the world around us through compassion.

History

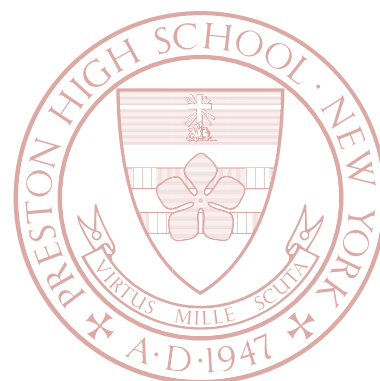

Preston High School was founded in 1947 and was originally housed in the Ash-Havemeyer-Huntington mansion. The facilities were expanded in 1960 to accommodate its growing population and diversified offerings, and improvements and additions are continually made to insure that PHS offers an innovative learning environment. Nestled on the banks of the East River between the Whitestone Bridge and the Throgs Neck Bridge in the Bronx, New York, the original structure anchors the school grounds and provides a beautiful reminder of PHS's history.

Message from the Principal

It is a pleasure to present you with Preston High School's Fiscal Year 2009 – 2010 Annual Report. This publication is an opportunity to recognize members of PHS community who donate their gifts of time, talent, and dollars, to the school each year. It is with the generous support of our Partners in Mission that our mission to empower young women is advanced.

The ongoing development of our students in their intellectual, emotional, and spiritual growth is a testament not only to their effort and determination, but also to the dedication of their families and teachers. We're proud that our girls continue to gain acceptance to prestigious colleges and to earn significant scholarship awards. They continue to impress us with their breadth of interests as evidenced by the many diverse after-school activities in which they participate. And once again we are deeply touched by the many different ways they demonstrate their deep compassion through service to others.

Thanks to the generous support of our benefactors, we continue to strengthen our academic program the better to prepare our students for the challenges of college and career in the 21st century. We have invested in significant improvements to our aging physical plant, culminating in the creation of a suite of modernized and technologically advanced science labs, work on which should be completed this summer. Again, thanks to our benefactors we have increased the amount of financial aid we are able to offer our families adversely affected by the prolonged economic downturn.

We remain committed to providing an education rooted in Catholic values that provide a strong moral compass in this ever-changing world. We're excited by the positive changes that your support has enabled and by the passionate enthusiasm with which PHS students face their future. We remain determined to meet the challenges of our current economic climate with creativity and resolve. And we're very thankful that you are willing to work with us in partnership for the benefit of the PHS community.

Sincerely,

Jane Grendell
Principal, PHS

Message from the President of the Board of Trustees

In presenting the Fiscal Year 2009 – 2010 Annual Report of Preston High School, I want to first thank our alumnae, friends, families and benefactors for their faithful support. As a result of the continued support from the PHS community, I am happy to report that PHS remains a financially and academically strong institution with a bright future.

Looking back on PHS's accomplishments during the past year, I am struck by the fact that they exemplify the commitment to our mission to empower young women through a broad and challenging education, active participation in community and a commitment to Christian service. PHS students continue to achieve numerous academic and community service accomplishments and go on to attend some of the most prestigious colleges in the country; our recruitment efforts draw hundreds of hopeful students to apply to PHS; and we look forward to the science laboratory renovation during the summer of 2011.

The Board of Trustees was proud to welcome three new members this year. They include: *Elizabeth Anne Asaro '68*, Chairperson of the Social Studies Department at Alexander Hamilton High School; *Andrea Donkor, ESQ, '99*, General Council Office, Compliance & Ethics, Manager, American Express; and *Mary Hussey Piscina '80*, Community Outreach Volunteer and former Special Education Teacher.

As we look forward to the future stewardship of PHS you should know that it will be focused on meeting the challenges of our struggling economy with flexibility and creativity. As our families make sacrifices to pay tuition we thank you for your generous support and your contributions to future appeals.

We are thankful for your continued support without which PHS would not be able to be such a valued leader in Catholic education in the Bronx.

Sincerely,

Michael J. Daly
President, PHS Board of Trustees

Preston High School has been recognized by the following organization:

"A student at PHS is never alone. We each have an entire community that is always there beside us."

- Alyssa Capreglicone '09

"PHS inspired me to work hard at my academics, to take challenging honors courses, and to break out of my comfort zone. I went from being timid and laid back to being an ambitious leader."

- Carolyn Damo '08

Note: The GAP is the difference between the per pupil cost of operating Preston High School and the actual amount paid for a student's tuition and fees. Were it not for additional sources of funding, tuition would have been \$2,010 more for each student.

PHS Community Mourns Loss of Dr. Morton

The Preston High School community is deeply saddened by the passing of our esteemed colleague and beloved friend, Peg F. Morton, D. Min., who passed away suddenly at her home on July 31, 2010. More than 1,000 visitors came to pay their respects at her wake.

Dr. Morton taught Religion at PHS for more than two decades. The response to her passing by the PHS community, as well as that of the Bronx community and beyond, was a testament to her life. Dr. Morton opened the minds of thousands of students, offered inspirational theological reflections, led the community in song and was a true supporter of the mission of compassion.

The Preston Scholars Program

PSP participants with director, Jennifer Connolly (top left), at International Day of Peace Student Observance

The Preston Scholars Program, or PSP, was introduced in the 2009-2010 academic year and now includes 26 sophomores and juniors. The program was designed to enable and encourage highly motivated students to take advantage of the several Advanced Placement courses offered and to complete challenging, self-designed Christian Service projects.

On September 18, 2010 the United Nations Department of Public Information held the twelfth student observance of the International Day of Peace under the theme "Disarm Now for a Better World." More than 1,000 students and

teachers traveled to United Nations Headquarters, where they were addressed by United Nations Secretary-General Ban Ki-moon and General Assembly President Ali Abdussalam Treki. PHS joined in this day of peace as 13 young women, all sophomores and participants in the Preston Scholars Program, made the trip into Manhattan with their program director and PHS History teacher, Jennifer Connolly.

Relaunch of PHS Website

In the spring of 2010 there was an extensive redesign of the PHS website. Jane Grendell, Principal, spearheaded the project and noted the improvements to the online site have many benefits.

Now visitors to the PHS website (www.prestonhs.org) will find welcoming visuals and updated content about alumnae activities, student life, academics, and admissions. In addition, online visitors are able to access a calendar of school wide events, link to teacher websites, make a secure gift online, and join our PHS Facebook community.

The website was updated with the help of Mario Arenas of Arenas Designs

Academic Panthers

Preston High School is committed to the liberal education of young women. Its program of studies is provided within a nurturing environment where every student is respected for her individual dignity and encouraged to pursue her growth as woman and scholar. PHS strives to create an environment that nourishes value-oriented learning in order to promote community, service and active citizenship. At PHS, students learn not only through their coursework, but also through various activities and projects, that they have an obligation to reach out to others in need.

Our rigorous college preparatory program includes:

- Regents, Honors and Advanced Placement classes
- English, Fine & Technical Arts, Mathematics, Science, Computer Technology, Languages Other Than English (LOTE) and History
- Some upper-level classes offer college credit through Pace University or St. John University's College Advantage program.
- Our highly regarded Computer Program offers required and elective courses that range from introductory to advanced levels and includes web design, graphic design, programming, and even computer-assisted musical composition.
- We offer an accelerated math program for students who have excelled in Algebra during 8th grade.
- Admission to the Preston Scholars Program is available to highly qualified sophomores and juniors.
- Seniors are required to complete a year-long, mentored interdisciplinary Independent Study Project in order to graduate.

Athletic Panthers

At PHS, our students have high expectations for themselves in and out of the classroom. These high expectations of personal performance, dedication to self and school are very apparent in our athletic program. We have many sports teams and clubs available to our students including the following:

Panther Teams

- Soccer (Varsity)
- Volleyball (JV, Varsity)
- Basketball (JV, Varsity)
- Cheerleading (Competition Team, Game Team)
- Step Team (Varsity)
- Softball (JV, Varsity)
- Swimming Club
- Tennis Club
- Ultimate Frisbee Club

The 2009 JV Volleyball team, coached by Marge McEvoy and assisted by PHS's Varsity coach, Heebong Choi, earned first place in the Bronx-Westchester Division of the Catholic High School Athletic Association (CHSAA) for the third year in a row.

School Traditions

IBM Women in Science & Engineering Day

PHS continues to be grateful to IBM for their annual "Women in Science and Engineering Day" for freshmen. This year they presented a workshop on "The Sweet Science of Chocolate & Rain Forest Walkway," followed by a presentation that gave students a sense of the vast array of career opportunities available in the Sciences, Technology, Engineering and Mathematics (STEM). The Day concludes with an informal "meet and greet" in the school library to which students from Grades 9-12 with a strong interest in pursuing STEM-related careers are invited.

Music in Our Schools

In the past few years, the instrumental program at PHS has nearly tripled in size. There has also been the development of new choirs and events focusing on the musical talents of our students. The National Association for Music Education has officially designated March as "Music in Our Schools Month." In celebration of the occasion, Joanna Fusco, PHS Music teacher, organized a Music in Our Schools performance. Donated instruments were used during the celebration. The evening culminated in a variety of performances from student-choreographed dance routines, singing duets and trios to performances by the Wind Ensemble, Step Team, Gospel Choir and newly formed A Cappella Choir. The evening was a huge success!

Spiritual Panthers

Religious Studies

All students are enrolled in Religion courses. Activities coordinated with religious studies include communal prayer, liturgies, celebrations of major Church feasts, retreats for all classes, and Christian service. The service program is an opportunity to apply the teachings of the Gospel and the Church to real-life situations. Service projects include service to their families at home for Freshmen, service at school for Sophomores, and service in church or civic communities for Juniors, and service as an extension of their co-curricular activities for Seniors. As part of the total school program, these activities require the participation of all students and the cooperation of parents.

Emmaus Retreat Program

Beginning in the early 1970's, Emmaus is a Catholic retreat program that is open to PHS Juniors and Seniors of all faiths. It provides its participants the opportunity to reconnect with what matters and share their faith journeys in a loving community. Under the guidance of our Campus Minister and experienced faculty members, students spend two days and two nights at the Retreat Center on the RDC's Good

Emmaus participants with Retreat banner

Counsel campus in White Plains. Each retreat is all about discovery. Students realize how God is truly active in their lives, how special and unique each student is to others, and how those around them need their unique talents and gifts. Through the Emmaus experience, participants build valuable relationships through friendship, encouragement, prayer and their personal connection to God. To date, over 300 alumnae have been a part of Emmaus.

2010 Graduates

The tradition of PHS graduates going on to higher learning continues. Of the 136 PHS 2010 graduating class:

- 63% have collectively earned over \$10 million in college scholarships.
- 136 earned NY State Regents Diplomas.
- 33 earned the honor of Advanced Designation and
- 7 others earned the title of Advanced Designation with Honors.

Graduates of the Class of 2010 at Commencement Exercises

PHS Graduates are accepted to a wide range of colleges and universities, including some of the most selective schools in the nation. Alumnae consistently report back that they feel "well prepared" to handle the academic demands of their college curricula.

- Some of the colleges and universities our students will be attending include Boston University, George Washington University, Pace University, Fordham University, FIT, NYU, and many of the SUNY schools.

Please visit our website at www.prestonhs.org/student-life/co-curricular for full descriptions and pictures of our clubs and societies.

Three PHS Students Honored by National Merit Scholarship Corporation

Three PHS students, Irene Martinez, Tyler Pietri and Maronel Stewart, were

Irene Martinez '10, Maronel Stewart '10, and Tyler Pietri '10

honored as a part of the National Merit Scholarship Corporation based on their exemplary performance on the Preliminary SAT/ National Merit Scholarship Qualifying Test. Martinez has been named a Commended Student in the 2010 National Merit Scholarship Program.

Alumnae Reunion 2010

Over 200 alumnae and former faculty came from near and far to converge at Preston High School on March 27 for the 2010 Alumnae Reunion. The event celebrated graduates from the classes of 1955, 1960, 1965, 1970, 1975, 1980, 1985, 1990, 1995, 2000, and 2005. Alumnae first joined in a liturgical celebration with Reverend Paul Ruwe of St. Benedict's Church. Afterwards, additional alumnae joined the celebration with a formal welcome ceremony led by Jane Grendell, principal, and Peggy Sobier '63, director of advancement, who updated alumnae on life at PHS in 2010.

The 2010 Alumnae Service Award was presented to Zandra Coles-Lightbourne '65. This generous lady is always ready, willing and able to do whatever she can to help the school and truly exemplifies the PHS spirit.

Peggy Hearn '63 Sobier

Peggy Sobier never strayed far from Preston High School after her graduation in 1963. After teaching French for much of her life, along with raising her three beautiful children, Sobier entered the world of fundraising while working at the Old Westbury School of the Holy Child and later at Hi-Hello Child Care Center.

According to Sr. Lucille Coldrick, RDC, PHS principal from 1991-2008, "Along with her professional talents and experience, Peggy brought an extraordinary loyalty to PHS. Whole-heartedly invested in advancing the mission of her alma mater, regardless of the challenges it presented, she never swerved from her generous commitment to the best interests of our young women.

Peggy's decision to retire affords her the opportunity to spend more time with her husband Ray, also retired, and more freedom to visit her grandchildren in California. Sobier vows to remain connected to PHS.

College Alumnae Breakfast

On January 8, 2010 PHS hosted their Annual College Alumnae Brunch to celebrate graduates from the Classes of '09, '08, '07, and '06.

Over 200 young women gathered in PHS's gym on January 9th to reconnect with former classmates and to share their post-graduation experiences with PHS's current senior class.

Preston High School Parent Association

The PHS Parent Association plays a vital role at PHS, serving as a forum for parents, a catalyst for social gatherings, and a fundraising arm of the school. Attendance at PA meetings and support of sponsored events, presence at parent meetings conducted by the administration, ongoing communication with teachers and administrators, support of the school in pursuit of its mission, and enforcement of its policies and regulations are some ways that collaboration is mutually effective. We are extremely grateful to all of our parents for supporting the PA.

2nd Annual PHS Golf Classic

On May 7, golfers gathered at Pelham/Split Rock Golf Course for the Second Annual Preston High School Golf Classic sponsored by Westchester Bank. PHS parent, Tom McMahon, was the chairperson of this event for the second year in a row and he was enthusiastic about the support from the community.

Golfers enjoyed a hot buffet breakfast before teeing off at 8am with a modified shotgun start on the grounds of Pelham Golf Course at Pelham/Split Rock, which is run by American Golf Corporation. McMahon and his committee set up a number of specialty holes for golfers including a \$50k hole-in-one. The day commenced with a cocktail reception and an awards luncheon at the pavilion where there were raffles and a live and silent auction. The PHS Parent Association is pleased to report that the Golf Classic raised over \$20,000.

"There are not enough words for me to describe my experience at Preston High School. My wish is that all girls could have this experience. My daughter is a name, not a number. She attends school in a safe and beautiful environment which provides academic excellence and a program that promotes vision, voice and values. I am certain that when she graduates next year that she is fully prepared academically, and socially and morally ready for the next chapter in her life."

The Campaign for Preston High School

Thank you to all who have contributed to the *Today's Legacy, Tomorrow's Promise* campaign since its launch in 2007. As of August 31, 2010 PHS completed Phase 1 of its capital renovation project, which raised approximately \$1,230,000, mostly from individual donors. Your support helped us to raise the much needed capital funds to renovate our facilities and create state-of-the art science laboratories.

In the summer of 2011, PHS will complete the creation of a science suite adjacent to our current computer labs that will consist of a total of 4 laboratories. This will involve the renovation of our current Biology and Chemistry labs and the conversion of current classroom and office spaces into additional labs. These rooms will have not only new furniture, lab equipment and technology, but their design will facilitate up-to-date pedagogical practices. These rooms will be equipped with new safety equipment, energy-efficient windows and air conditioning. In addition, we will install a new roof on the main building which will result in further energy cost savings and a more comfortable year-round environment.

Celebrating the Legacy

On October 15, 2009 PHS held a gala celebration in honor of our donors to the *Today's Legacy, Tomorrow's Promise* Campaign. Fr. Michael Sullivan, Deacon John Murphy, and Deacon Anthony Cassaneto blessed our Tree of Recognition in the main lobby and asked God to bless the donors whose contributions during the first five years of our campaign have allowed us to move forward with our plans to modernize our facilities.

Three Sisters of the Divine Compassion, Sr. Mary Lucille Bridgetts, Sr. Loretta Carey (in memoriam), and Sr. Mary Carmella Stapleton received the Monsignor Preston Award for Educational Excellence and Dedicated Service to Preston High School.

In celebration of Anna Randazzo's life and thankful for her generous and nurturing spirit, PHS presented its first Sr. Loretta Carey Award for Compassionate Service and Fostering Peace and Justice in the Bronx Community to Anna's granddaughter, Melody Benedetto Morricco '74. Randazzo, matriarch of the Marina del Rey, passed away suddenly on September 20, 2009.

The Mary Caroline Dannat Starr Award for dedicated service to the Preston Community was presented to a grand couple of Industry and Innovation and a dedicated alumna, Noreen Donovan '78 and Peter Thomas Roth.

"The sense of responsibility for my personal, spiritual and intellectual growth, dedication to my family, the environment, and our nation were imbued in me during my years at PHS. Every day I feel a sense of gratitude that I was allowed to have the PHS experience and I so hope that it will continue to influence the lives of young Bronx women the way it has mine."

Ways to Give

Gifts of Cash: A gift of cash is the easiest way to support our mission.

Gifts of Securities: Gifts of stock can provide great tax benefits.

Matching Gifts: Many companies match charitable gifts made by their employees. Please check with your employer to see if they have a matching gift program.

Gifts in Memory or in Honor: A gift given in memory or in honor of a friend or family member is a great way to acknowledge someone special.

In-Kind Gifts: Gifts of computer equipment, office supplies, furniture, vehicles, tickets, and more are most welcome. Auction items for our Annual Golf Classic are also accepted.

Planned Giving: By remembering Preston High School in your long-term planning, you become a member of our PHS Heritage Society and you help us to fulfill our mission of changing lives.
