Summer Sports Clinics 2023

Preston High School holds 2-day clinics during the summer in all the sports that we offer. These clinics are optional and are open to all incoming and current freshmen and all returning JV players. The players will meet the coaches and go through the drills that they will be asked to do at tryouts. This is a great way to get a feel for high school sports and meet the other girls that love the same sport.

Please visit the Preston High School website to register and make payment by **July 1st**.
