

SPORTS TEAMS SEASONS

General Information for All Student Athletes:

- Every player must be medically cleared to try out for a Preston team. This means you need a physical within a year of the tryout and a doctor's note must be brought in and given to the Athletic Director on the day of tryouts.

NO ONE WILL BE PERMITTED TO TRYOUT WITHOUT THIS DOCUMENTATION.

If you are unable to attend tryouts on the designated day, you will not be eligible for consideration to be on that team.

****Athletes are committed to their respective sports and SHOULD NOT plan vacation time when in season ****
