

NYS Seal of Biliteracy New York City Region 2021-22

The New York Seal of Biliteracy (NYSSB) recognizes students from district, charter, and non-public schools who have attained a **high level of proficiency in two or more world languages** (one of which must be English) by high school graduation. It acknowledges the importance of biliteracy in today's global society.

The intent of the NYSSB is to:

- affirm the value of diversity in a multilingual society;
- encourage the study of languages;
- identify high school graduates with multilingualism and multiliteracy skills for employers;
- provide universities with additional information about applicants seeking admission;
- prepare students with twenty-first century skills; and
- recognize the value of world and home language instruction in schools.

The NYSSB carries the highest weight on a school's "[Readiness Measures](#)", on par with the NYS Regents Diploma with Advanced Designation and Advanced Placement and International Baccalaureate exams. This also includes current ELLs not in the graduation cohort earning the NYSSB and a Regents Diploma.
