In accordance with New York State Catholic High School Athletic Association (NYSCHSAA) guidelines, student-athletes who transfer from Cathedral while the school remains open (through June 2026) will be required to sit out one athletic season at their new school.

However, if a student remains enrolled at Cathedral through June 2026 and transfers only after the school officially closes, she will not be subject to this waiting period and will retain full athletic eligibility.

Financial Assistance and Scholarships

We have been informed by the Archdiocese of New York that financial assistance from both Cathedral High School and the Archdiocese is not available for students choosing to transfer this 2025-2026 academic year.

Please also be aware of the following:

- **Student Sponsor Partners (SSP)** does not extend financial assistance to mid-year transfer students.
- If your daughter currently receives a scholarship through the **Inner-City Scholarship Fund (ICSF)**, you will need to contact ICSF directly to determine whether your scholarship can be transferred to Preston.

At Preston High School, our tuition for the academic year is **\$12,795**, in addition to a **\$1,000 general fee**. At this time, all scholarship and financial aid funds for the 2025- 2026 year have been fully awarded. As a result, we are unable to match or honor any existing financial aid or scholarships that were in place at Cathedral for this academic year. This will be revisited for students applying for the next academic year.
